Note : A) Consumption of raw materials will be varied as per size of printing area.

Note:- B)

Input-Output co-efficient will be revised under the following circumstances:

1. If production is changed.
2. If abnormal situation arises, such as severe load shading, insufficient supply of natural gas etc.
3. If technology is changed.
4. If product quality is changed according to the buyers demand.
5. If stakeholder arises any logical dispute about any Co-efficient through association.
6. If BMRE is done in the factory.
7. This Co-efficient is applicable for 2 years from the date of issue.
8. After issuing this Co-efficient previous all Co-efficient will be invalid.
